

TLC Montessori School
November 2013
Newsletter

1730 Old Kirby Rd.,
Seabrook 281-474-2655

This month we will study about the Native Americans, the Pilgrims and the first Thanksgiving. In art, we will study the artist Jackson Pollock

Annual Thanksgiving Stone Soup Feast

Every November we study the story, Stone Soup. It's about sharing what little you have to help out each other. We will hold our annual Stone Soup Feast on **Friday, November 22nd. School closes at noon on this day.** The feast is mainly for the children. Parents are not required to attend but are more than welcome to come and sample our delicious soup! Each child will be asked to bring an ingredient to put in our soup or for our special sandwiches. A note will be sent home closer to cooking time.

Thanksgiving Holidays

School closes at noon on Friday, November 22nd after our Stone Soup Feast. School will be closed the week of November 25-29 for the Thanksgiving Holidays.

Tuition Reminder

Just a reminder: tuition may be paid between the 1st and the 15th of the month (or the closest business day to the 15th if it happens to fall on a weekend). Late fees will be assessed if tuition is not submitted on time. We are also still offering our \$100 off tuition incentive for referrals for any family you recommend that registers.

Special Thank You's

As you can see from our calendar, we have art on Thursdays. We have a wonderful lady, Carol Gartman, who is kindly volunteering their time to help the children with art projects.

Our Fall Festival was a huge success and we have you, our wonderful army of parent volunteers, to thank for it!

As we usher in the Thanksgiving Season, we'd like to express how truly grateful we are for our wonderful families. Thank you for all you support!

Mrs. McFadden & Ms Nicola

Montessori Moment:

Maria Montessori was a pioneer in research that proved children learn differently from adults. They have what she called "Absorbent Minds". Children acquire knowledge very rapidly through experience, exploration, and repetition. So remember this the next time your child wants to hear the same story over and over again or comes home with a 100 board mark for the 100th time!
